## From The Editor ...

The hot days of summer are here in Oklahoma and Texas making it much harder to get excited about riding. And it seems this time of year there is less to publish for some reason? You see here in the South we treat summer like people in the northern Climates treat winter... They just hate to go out in it more than they have to.

In this issue I invite you to *Beat The Heat* and join our Chapter indoors in air conditioned comfort in Arlington TX on July 21. Read more inside this issue.

I also am proud to write about a Regional Members BBQ that was held last month and announce all our New Members to our Club as we always do each issue.

There are still plenty of National Meets to attend this year and most are in the cooler climates of Ohio, Washington, Connecticut, New York and Pennsylvania if you desire a road trip?

Also in this issue you will find an update to our upcoming 2014 National Road Run that will be held next spring on April 14-16 in Kerrville TX.

I am starting to get the hang of this desktop publishing and I will continue trying to

improve our newsletter each issue so that all members can enjoy it more. I also really appreciate the photos that get sent to me for use in each issue. TY all for helping

*Until This Fall ...*

## Presidents Message ...

Summer is here. We all get busy with different seasonal things. We need to plan that family vacation and a lot of other things can get in the way of enjoying our sport. It is hot and we tend to put off riding as much and maybe even retreat into our homes or shops to avoid the heat.

This month in Arlington TX is the largest indoor air conditioned swap meet in Texas. This is a great excuse to beat the heat, find a few parts and help our chapter sign up some new members.

Our very own Cherokee Chapter is being watched by our National AMCA and other Chapters for our enthusiasm

and membership growth. I am proud of all of our members for helping in this effort in 2013. Please take a moment and think of who you know that either owns a vintage machine or who would like to own one and invite them to become an AMCA and Cherokee Chapter Member. They just need to have an interest in the sport and do not actually have to own a motorcycle. We can help them find what they are interested in. I will thank you now in advance and they will thank you forever for sponsoring them into our sport.

The Wauseon Meet is July

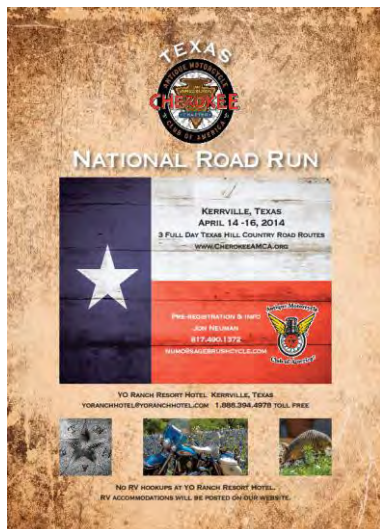

19<sup>th</sup> – 21<sup>st</sup> and representatives Our Chapter will attend the AMCA Board Meeting at this event. I will update you all next newsletter on this great AMCA meet.

Until the next edition, please take time to **Enjoy your Sport,** and **Ride Safe.**

*John Nixon, President*

## Member BBQ Held in North Texas ...

**On Saturday June 22**, Jon Neuman, Chairman of our Spring 2013 Road Run in Jefferson TX., hosted a Chapter Members BBQ at his home in Flower Mound Texas as a **Thank You** to all members whom helped promote, run and participate in the Spring event. Jon as Chairman and Greg Nelson as Co-Chair of The Texas National Road Run our Chapter is hosting in Spring 2014 also used this gathering as a mini-planning meeting

to continue efforts for next year's event. TY Jon & Greg.

Membership Director Shelby Withrow, Paradise TX, invited as many new Chapter members from North Texas and Oklahoma as he could contact so these members could come and get more acquainted with our Club and our existing members. Many attended.

Jon led a two hour ride in the flat plains of N. Texas for members who rode or

brought a motorcycle with.

Steve Klein trailered his custom BBQ rig to North Texas and smoked a big pile of ribs, chicken and sausage for all in attendance.

It is very important that our members get acquainted with other members in any region of our huge State so that they may be able to meet each other and plan more localized rides and other fellowship as well.

**A Great Weekend for All 😊**

## Membership Drive at Arlington Swap Meet ...

**Join Shelby Withrow** and other DFW / North Texas Members in our Booth space in Arlington TX, July 21<sup>st</sup>.

In late 2012 we decided to **Reach – Out** to motorcyclists who have an interest in Vintage Motorcycles, but that also do not know how to find others who also enjoy the sport. Since

December 2, 2012 we have signed up over 40 new members with this experimental effort. It is easy to display our banner and a range of vintage machines and just visit with people to join.

The Arlington Swap Meet is the largest indoor swap meet in Texas and just a great opportunity to talk to people

whom still work on old iron and encourage them to join the AMCA and our Cherokee Chapter. If you can attend and help work the booth or have a vintage motorcycle that you could display in our booth contact **Shelby Withrow, Membership Director at 940.748.2555** or email at [shelbyinparadise@wccs.net](mailto:shelbyinparadise@wccs.net)

## Member Profile ...

From time to time (*and when space permits*), I may introduce you to specific members whom allow me to do such. This edition needs some filler space. **Joe and Susan Burch, Ferris TX**, are new Chapter members as of December 2, 2012. Joe and Susan own **RBR Maintenance** at Love Field in Dallas TX. RBR services private jet aircraft and some turbo-prop aircraft, such as King Air, for clients throughout the United States. They specialize in pre-purchase to routine inspections, engines, avionics repair and replacement, structural and corrosion repairs, and general and scheduled maintenance work for a variety of jets such as Hawker, Gulfstream and Citation.

While traveling to our June 22<sup>nd</sup>, Members BBQ in Flower Mound TX, just northwest of Dallas, I decided to call Joe and ask if we could stop by and see his facility on the way through. As usual Joe was happy to help. Cherokee Member Greg Nelson, Georgetown TX was also in the vicinity and met us there as well. Greg is an instrument rated pilot and I believe an instructor? Joe met us at the door and gave the tour of his facility. It is quite a sight to see so many multi-million dollar aircraft all occupying a work space and getting different services done to each. Equally amazing was the fact that all work areas were spotless, all tables, racks and work spaces were labeled specifically for each aircraft. (Guess it would be embarrassing to put a Harley oil filter on a Gulfstream Jet or a Linkert carb on a King Air?)

**Joe...Thanks for the tour.** We all kind-of know how to work on our old iron motorcycles... we just do not take time to think that some of our members also fix jet engines? (*Makes me wonder... does any member of our Chapter happen to be a Rocket Scientist?*)

Joan "Jet" Klein liked this one! "*No Dear, it will take up too much space that we could put more motorcycles into!*" (*"Whew.... That was close!"*)

## In Memory....

North Texas Vintage Motorcycle Enthusiast Michael Brown was killed in an unfortunate accident June 30<sup>th</sup> in Dallas TX. Although Michael was not a member of our chapter at this time, he was a AMCA member and North Texas Tejas Chapter member for many years and also a friend to many of our members. Michael rode to

the NTNOA Bike Show (North Texas Norton Owners Assoc.). Upon leaving the show with friends Glenn Marvin and Bob Portz, Michael was hit by a drunk driver. While leaving the scene the driver drove over Michael. Glen Marvin stayed at Michaels side and Bob Portz followed the hit and run driver who refused to stop

until she pulled into her driveway. She was arrested within fifteen minutes and charged with vehicular manslaughter.

*All AMCA and Cherokee Chapter Members extend our heartfelt prayers and thoughts to Michael's family and friends during this very difficult time.*

## Who We Are ...

The Cherokee Chapter of The Antique Motorcycle Club of America was formed for the purpose of enjoying old motorcycles. We accomplish this through local member organized events in and around Texas, Oklahoma and Arkansas. Our members own, study, preserve, restore

or just appreciate vintage motorcycles that are at least 35 years or older. Often our members also study and collect all forms of vintage motorcycle art, literature, clothing and memorabilia related to these vintage machines. If you have an old bike or just have an interest

in learning more about these magnificent machines and the wonderful history of our great sport, please visit our website and also contact us about membership, road runs, bike shows and other club activities.
